Lab 14 Practice

Add Jenkinsfile to your Teedy project that meets the following requirement:

- Add test to your pipeline.
- Generate sure-fire report as artifact.
- Generate javadoc (mvn javadoc:jar) as artifact.

Show the successful run result of your Jenkins to TA:

- Build result:

		Declarative: Checkout SCM	Build	Doc	pmd	Test report	Declarative: Post Actions
Average stage times:		2s	3min 19s	3min 54s	6s	143ms	661ms
#13 4月 27 日 22:13	1 commit	2s	2min 53s	9s	6s	170ms failed	784ms
